

# Under 17 Motor Club (NW), AutoSOLO, Autotest and Production Car Autotest 20<sup>th</sup> August 2017

## SUPPLEMENTARY REGULATIONS

A copy of these supplementary regulations is available online at [www.anwcc.org](http://www.anwcc.org) and [www.sd34msg.org.uk](http://www.sd34msg.org.uk).

### **INTRODUCTION**

For those who haven't entered an Autosolo before, they consist of all forwards timed tests on a hard surface. New for 2017 a passenger is optional and 14 years olds may drive subject to limitations.

AutoSOLO are not a memory contest as markers help you find your way around. One score is dropped per test layout in the Clubman's event to allow for those 'little disasters'. Although modified cars are allowed, all competing vehicles have to be road legal and be driven to the event.

Competitors are divided into groups, whilst one group competes, another marshals and the third takes a well-earned rest. This results in an action packed day for all.

Autosolos are relatively new to this country but have a large following in the USA. They have proved to be an ideal low cost introduction to motor sport for beginners (particularly teenagers) and a means of past competitors to return to the sport.

**Please note that the autotest is NOT all forwards and contains two reversing manoeuvres.** The autosolo and production car autotest are all forwards and contain no reversing manoeuvres.

1. The Under 17 Motor Club (NW) will organise a National B & Clubman's Autosolo, a National B and Clubman's Autotest and a Clubman's Production Car Autotest (PCA) on Sunday 20<sup>th</sup> August 2017 at:

### **M65 Motorway Services, Junction 4, Blackburn**

**Food is available on site with discounts to Competitors & Marshals.**

2. The meeting will be held under the General Regulations of The Motor Sports Association Ltd (incorporating the provisions of the International Sporting Code of the FIA), these Supplementary Regulations and any written instructions the promoting club may issue for the event.
